

Dear,

RECEIVED

SEP 13 2017

MAYOR'S OFFICE
CITY OF REDMOND

Redmond city council

My name is Megan and I'm
in 3rd grade at Community
School. I ~~just~~ just heard that
Seattle has banned plastic
straws and I think Redmond
should too. Here's why
I think ~~you~~ you should ban
them: they are bad for the
environment.

And also they get into the
water and animals eat them

Sincerely,

Megan O'Reilly
